Proceedings: Order To Show Cause Why Actions Should Not Be Consolidated

The court has accepted a transfer of Case No. CV 11-07324 to its calendar because it currently has pending before it related Case No. CV 11-3522-MMM(JEMx). The court's review of the complaints in the two actions causes it to believe that they should be consolidated for all purposes. Accordingly, the parties are ordered to show cause, on or before October 14, 2011, why consolidation should not be ordered. If the parties do not oppose consolidation, they are directed to submit a proposed stipulation and order consolidating the cases on or before October 14, 2011. The court will consider the stipulation to be an adequate response to the order to show cause.
